

## Men's Winter County Cup Report

With Alastair Filmer away coaching, his Vice-Captain, Sean Thornley stepped into the breach and led the men's team for the weekend.

The team was:

James Davis, Lewis Burton, Nick Brookes, Sean Thornley, Matt Summers, Ben Gusic-Wan, Oliver Matthews and Sebastian McDonnell-Palomares.

Both Ben and Oliver made their debuts and we're sure Sebastian will make his debut in the not too distant future. Congratulations to Matt who was the only player (from any county) in Group 1 to win all 6 of his matches over the weekend. All the players battled hard for everything, and the final day started with Kent going 3-1 up after 4 three set singles matches all lasting longer than 2½ hours. It should be noted that Kent won 8 out of 9 doubles rubbers over the weekend – we think that bodes well for next summer! Kent beat Hertfordshire 6-3, lost to Essex 4-5 and beat Cheshire 6-3.

After three close matches each, the Men were National Runners-Up!
